

AND LAW

THE LGBTQ+ COMMUNITY AND THE LAW HAS A VARIED PAST

Until recently this included Human Rights violations within many legal system (and still continues).

Luckily there are a lot of champions within the legal community paving the way to reform and equality.

TASK 1

MARRIAGE EQUALITY

Ireland is the first country to legalise same-sex marriage by **popular vote**, but it took a lot of campaigning from organisations like **Equal Marriage NI** and **Love Equality** to get it going.

What similar organisations or pressure groups exist in the rest of the UK? Write a paragraph detailing the effects they

have had on **legislation**

TASK 3

ASSASSINATION

politician **activist**

legacy

example of this. Research **pejoration**

Find at least 3 other examples, and write a paragraph on why **gay** **place** to be used as insults.
