

# Legal Practice Course

2.3 Was the standard of performance attained by candidates in general appropriate for Masters level?	<b>YES</b>
--	------------

The standard of the answers I got in the sample scripts were appropriate to the level required by LPC students. There were very few failed scripts that did not meet the standard. Generally, the teaching team was able to set and maintain very high standard. I am very happy for that.

2.4 Was the marking satisfactory and consistent?	<b>YES</b>
--	------------

The markers and the second marker / moderator followed the marking criteria very strictly. It was all fair and consistent.

**3 Administrative Issues:** please make any comments you wish to make on:

3.1 The process of setting assessments.

Excellent. The process ensured the academic rigour and professional standard.

Very good. The electronic copy of the scripts made it quite easy despite the emails and security do have their own drawbacks.

Excellent. Both of the marker and moderator provided comment, whilst we see moderator simply agreeing in many institutions. The marking has always been very consistent and fair and that is reflected in moderation process.

Excellent and very efficient.
