

Partnership Protocols

2.1.3 The requirements of academic approval ensure the proposed partner organisation

- has in place an appropriate governance framework for maintaining academic standards and quality, with clearly defined roles and responsibilities to enable this;
- can provide the necessary resources and facilities to support the programme(s) to be delivered through the proposed collaborative arrangement;
- has in place a resource plan for ensuring the provision of a higher education learning environment
- has in place the ability to market the programme appropriately.

In addition, the requirements seek assurance that:

- staff at the partner organisation are appropriately qualified and have relevant subject expertise;
- proposed arrangement is appropriately aligned quality assurance policies and procedures;
- appropriate measures are in place to align operational processes between the University and the partner organisation for key elements of the student journey;
- a robust development plan is in place to ensure the successful and sustainable delivery of the programmes; and arrangements are in place to support any planned training activities to which partner staff are entitled.
- There is clarity over the regulatory requirements in relation to the partnership, particularly on the gathering and sharing of relevant data.

2.1.4

panel event may be conducted virtually with permission from the Chair of the Programme Approval Committee. Where the proposal involves delivery at more than one site, the location of the event will be agreed between the University and the partner organisation. Site visits to each delivery location must be undertaken to assess the learning resources; teaching accommodation and other relevant facilities at each site prior to the panel event. Reports from these site visits must be included in the submission for academic approval.

2.1.7 The process of assessing the partner organisation and the academic provision to be delivered will normally be undertaken at the same time. Where this is not possible, the panel event for evaluating govern and manage delivery of the proposed academic provision must take place prior to the evaluation of the academic provision to be delivered.

2.1.8 The panel will be convened through the authority of Programme Approval Committee. Its membership will be as follows:

- A senior member of academic or academic related staff from the University who will serve as Chair;
- At least one external expert from outside the University with relevant subject expertise and experience in managing academic quality assurance for collaborative arrangements;
-
- At least one University representative with no direct responsibility for the proposed partnership arrangement.
-

2.1.9 programmes and campuses. It must also satisfy itself that the partner organisation meets the requirements set out in 2.1.3 above.

2.1.10 Following its evaluation of the information presented in support of the proposal, the panel will make one of the following recommendations to Programme Approval Committee:

- **approval** of the partner organisation for the delivery of the proposed academic provision with or without recommendations for enhancement;
- approval of the partner organisation for the delivery of the proposed academic provision, subject to the meeting of **pre-approval conditions**;
- **referral** of the proposed collaborative arrangement for further refinement before it is considered by a re-convened panel;
- **rejection** of the proposed collaborative arrangement.

2.1.11 submission to the Programme Approval Committee for ratification.

2.2 Modification of existing programmes delivered through collaborative arrangements

2.2.1 Modifications to programmes delivered through collaborative arrangements may only be implemented

2.2.2 Typically, modifications to programmes leading to the same award but delivered by more than one partner (e.g. franchise) can only be permitted if they are approved for delivery by all parties and at all locations. Where the collaborative provision involve
